President's Foreword

This is the third time that the PAGB have run this combined PDI & Print Competition and on this occasion we are lucky to have it hosted by NIPA in Belfast – I do hope that many local Irish photographers attend to see the work and to add some noise and craic to the Judging, it can be entertaining to get our adjudicators excited by the occasion as well as the Photography. Mind you with the quality of our Judges I don't think that you will distract them from their work and I'm sure that the selection will be fair and a compliment to Amateur Photography across the PAGB in 2016.

I would like to offer my personal and the PAGB's thanks to our experienced Judges this year for their time and participation in the event. They are:-

Ross McKelvey MPAGB EFIAP/s FBPE FIPF

Des Clinton FIPF FRPS MFIAP

Rod Wheelans MPAGB HonPAGB MFIAP FIPF

I said last year that this Competition speaks to the Ethos and one of the “Raison D'être” of the PAGB Competition; throughout our 1,000+ Clubs with their 40,000+ photographers who are always willing to exhibit their work and to expose them to critical comment in competition with other photographers. From the ubiquitous monthly Club competitions where the Club can see their work and can then choose the better work to partake in Club Battles. This leads in most Federations to an Annual Salon where the photographer or their Club put forward their work for selection against all the other photographers in the Federation leading to further exposure in the Federations Annual Exhibition.

Finally, each Federation chooses from the work available in their Federation to create an entry for this Annual PAGB event – to my mind this continual striving for improvement and achievement of quality and impact is what Amateur Club Photography and the PAGB is all about. There is no doubt in my mind that what will be seen in this Competition is definitely the “Best of British & Northern Ireland Photography in 2016”

We have changed the format slightly this year, whilst each Federation can enter four sections; viz. Colour Prints, Mono Prints, Open PDIs and Nature PDIs there is now a simplification in the numbers required to be entered by each Federation. They can now enter a minimum of 10 and a maximum of 30 in each section with the top 10 scoring images counting as their result – no average calculation any more – keep the mathematics simple! Part of the reason for this was that with the previous methodology each Federation had to provide images equivalent to 1/3 their Clubs per section. For larger Federation this could mean a requirement of approaching 200 different images on one day in June – the new methodology should work better – let us know what you think afterwards!

Roy Thomas APAGB Hon.FWPF

Meet the Judges

Ross McKelvey MPAGB EFIAP/b FIPF ABPE

Ross is an active Club photographer with Catchlight Camera Club in Belfast, and still competes regularly in National and International Exhibitions. Ross believes that salon catalogues and photographic exhibitions are very good for widening your perspective and honing your appreciation for the very fine work that photographers produce in all manner of genres. He treats them all the same - it is all about producing a quality picture. His own success has come with mono prints, and portraiture is obviously his preferred genre, but Ross also enjoys doing landscape, sport and nature photography as well.

Printing in the digital age is just as much a skill as it was in the darkroom days, and he relishes this opportunity to view and judge quality prints from photographers throughout the PAGB Federations, particularly as the adjudication takes place in his home City of Belfast.

Ross is very proud to represent the NIPA Federation in this event, and wishes you all good luck in the selection process.

Rod Wheelans MPAGB MFIAP HonPAGB

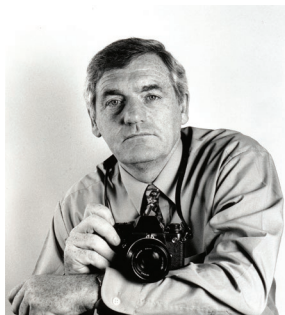

Rod joined the Dumfries club in 1983 and has twice served as their President. He has been a member of the SPF Executive for more than 25 years and has been SPF President. He joined the PAGB Executive in 1990 and served as President 2005-2007. He has organised and chaired the PAGB Inter-Club Print Championship since its inception in 1997 and the PAGB GB Cup since its inception in 2008 but he considers his most important contribution to be as non-voting Chairman of the PAGB Awards for Photographic Merit.

He has been a member of the RPS Council and of their Associate and Fellowship Panels for Visual Art, Photo Travel and Applied.

Although Rod is winding down as a successful professional photographer with a busy portrait studio - twice MPA Scottish Portrait Photographer of the Year - he and Anne, Rod's wife, have never lost their amateur roots, competing and exhibiting widely.

Between them they have many thousands of acceptances and several hundred Awards in National and International exhibitions. "Nowadays we tend to pick and choose the exhibitions we enter - usually the more difficult ones!"

"Although I am very involved in the organisation of events I have never lost my love of photography. I make a print every couple of days and I am proud to work with the support of PermaJet."

Des Clinton FRPS MFIAP FIPF

Des Clinton comes from Drogheda in Ireland. He is a Fellow of both the Royal Photographic Society of Great Britain and the Irish Photographic Federation. In 2010 he gained the Master's distinction in photography with FIAP. Des was on the Visual Art panel for 6 years and was awarded the RPS Fenton Medal for photography in 2012. Des is presently chairperson of the Irish Federation's distinction's panel and is also a Fotospeed lecturer.

Des has been taking photographs for almost 40 years of the people, landscape, culture, natural history and troubles in Ireland. His highly acclaimed works have won him many accolades and awards at national and international level over this time. He has represented Ireland at International level in photography over 50 times. In the past few years Des has managed to spread his wings and visit places he always only dreamed of visiting and his challenge in photography nowadays is to photograph these countries as he did his beloved Ireland.

Des is an experienced judge having been judging photography competitions, exhibitions and salons at the highest level for over 20 years.

SONY®

Sony is pleased to continue its work with the PAGB supporting photographers up and down the country at all levels. Sony prides itself as being at the forefront of innovation having just announced the amazing new family of 'G Master' lenses. These complete the range targeted at professional and enthusiast photographers. Sony's full frame α7 series will provide photographers with a variety of different kit options giving photographers the best tools to produce great high definition images.

We are looking forward to seeing the results of the competition.

ACKNOWLEDGEMENTS

This year the Inter-Federation Competitions Judging Day was hosted by the North Ireland Photographic Association. The judging was again held in front of a viewing public with over 50 people attending.

The efficient organising and running of the day was led by Alistair Jack APAGB and John Hill HonPAGB ESFIAP.

The President of NIPA, Vittorio Silvestri, welcomed everyone to the event. The PAGB President, Roy Thomas APAGB HonFWPE, opened the proceedings welcoming everyone and introducing the three judges, Ross McKelvey MPAGB EFIAP/s FBPE FIPE, Des Clinton FIPF FRPS MFIAP and Rod Wheelans MPAGB HonPAGB MFIAP FIPE. He also introduced the PAGB team responsible for running the day. These were Mrs Daphne Hanson APAGB DPAGB who until this year has been the PAGB Alliance Competitions Administration Officer (the PAGB are indebted to Daphne for all the hard work and dedication to this event over many years), Roy Lambeth APAGB DPAGB AFIAP BPE2* who has taken over from Daphne, Gordon Jenkins APAGB, Adrian Lines MPAGB FBPE EFIAP ARPS, Mrs Jane Lines MPAGB BPE5*, Mrs Dianne Owen FRPS, Mrs Lynn Lambeth APAGB CPAGB and Howard Tate MA(Phot) ARPS AFIAP who compiled the Exhibition Catalogue and Exhibition DVD Shows.

The day was a great success with Alistair and John's team working hard over a long day. From the PAGB a big thank you to; Billy Leahey, Martin Spackman, Damian McDonald, Joe Beattie, Chelle McGaughey, Gavin Toman, Darren Brown, Alan McMorris and Peter Knott. The PAGB very much appreciated their help and support, also the Ashfield Girls School for making us welcome and allowing us to use their facilities.

Thank you to the judges Ross, Des and Rod for the care taken in assessing over 720 prints and 780 PDI images and selecting a varied and high quality Exhibition.

For the on-line download system and the synchronising of scanning the prints, the scoring and voice recognition for the titles and the projection a big thank you must go to Adrian Lines.

Thank you from the PAGB to Alistair Jack and the framing team for the Print Exhibition, which will be opened officially by Vittorio Silvestri, on the 9th July at 1.00pm at the Studio Theatre & Ant Gallery, Mid Antrim Museum @ The Braid, Ballymena Town Hall, 1-29 Bridge Street, Ballymena, BT43 5EJ

Finally thank you to all the photographers who submitted their work and congratulations to the Winning Federations, the Individual Award Winners and those whose work was accepted for the Exhibition.
