President's Foreword

Welcome

This is now the fifth year that the PAGB SONY Inter-Federation Print & PDI Competition and Exhibition has taken place in front of an audience.

This year the people attending the competition at Chatham, Kent were shown some brilliant images, the best of UK amateur photography, and this I believe is shown in this year's exhibition. I hope you agree.

The Sony PAGB Inter-Federation Print & PDI Competition and Exhibition is the culmination of the 15 federations top work that has been selected generally through competitions within the federations.

The PAGB are grateful for the sterling work of the Kent County Photographic Association who hosted this year's event.

The venue was The University of Kent which is part of a unique partnership that includes the University of Greenwich and Canterbury Christ Church University, known collectively as the Universities at Medway. We were given the use of the 'Wardroom', a magnificent hall completed in 1901, a great venue.

The PAGB team, led by Roy Lambeth, worked tirelessly with the KCPA team, headed by Alan Lomakin, before, during and after the event to make sure that everything ran smoothly. Roy's notes will thank all those who helped.

The attendance was small and I wonder if all the hard work, carried out by the Judges, the PAGB team and the KCPA team was worth it, although those attending had a most enjoyable day, looking at some magnificent images.

I must thank Mark Baber of Sony who brought along the latest Sony Lenses and Cameras and demonstrated the equipment during the breaks. Mark was very impressed with the images and the software used to run this competition.

I hope you all enjoy the Exhibition and would appreciate any comments that you may have, both positive and negative, as it helps us to improve year on year.

Details of where the Exhibition can be seen are in the catalogue.

Our grateful thanks go to SONY who once again sponsored this Competition & Exhibition. One last thought, why not come along to next year's Sony PAGB Inter-Federation Print & PDI Competition to view the judging, let's see if we can get a bigger audience to view this wonderful work.

The host federation will be Midland Counties Photographic Federation, the date for your diary provisionally is the 8th June.

Enjoy.

Gordon Jenkins HonPAGB

President - The Photographic Alliance of Great Britain

Meet the Judges

Clive Tanner FRPS MPAGB APAGB

My photographic journey started with a Practica camera given as a birthday present several years ago, it was much used, but my ability was somewhat limited. Joining Tonbridge Camera Club provided much needed tuition and guidance in the dark arts of making my own negatives and prints. An interest in ecclesiastic architecture provided a wealth of subject matter and, together with friends, many churches and cathedrals were visited for

photography. This hobby/obsession has persisted for most of my photographic life, moving to Maidstone Camera Club and the advent of digital cameras and printing provided another opportunity to expand the interest. So far, my photographic efforts have gained ARPS and then FRPS followed by DPAGB and the coveted MPAGB; hopefully more will follow along the FIAP route in time. There have been personal exhibitions and two books; as well as a commitment to produce the pictures for a book on the history and architecture of Rochester Cathedral.

Roger Hance FRPS AFIAP BPE5

Roger has been involved in photography for over 35 years and joined the Royal Photographic Society in 1985. He gained some notoriety in 1990 by being awarded three fellowships simultaneously in the Pictorial, Applied and Portraiture sections with hard gritty monochrome images taken of the homeless in and around Cardboard City in London. Not content to rest on his laurels he then took up Natural History photography and gained

his fourth fellowship in 1997 with a panel of fungi prints. He served for 8 years on the Licentiate panel, 9 years on the A and F Natural History panel (3 years as vice chairman). He currently sits on the Fellowship Board. He has been a member of Ipswich and District Photographic Society for 35 years. Now that he is retired Roger has started entering national exhibitions again and he believes it is one of the best ways to raise your standard of photography. He looks upon himself as a complete 'all-rounder' and will tackle any photographic subject, although his main areas of interest still lie in Portraiture, Natural History, Sport and more recently Landscape, which he has taken up with a passion.

Rod Wheelans MPAGB MFIAP HonPAGB

Rod joined the Dumfries club in 1983 and has twice served as their President. He has been a member of the SPF Executive for more than 25 years and has been SPF President. He joined the PAGB Executive in 1990 and served as President 2005-2007. He has organised and chaired the PAGB Inter-Club Print Championship since its inception in 1997 and was instrumental in creating the PAGB GB Cup in 2008 but he considers his most important contribution to be as non-voting Chairman of the PAGB Awards for Photographic Merit. He has been a member of the RPS Council and of their Associate and

Fellowship Panels for Visual Art, Photo Travel and Applied. Although Rod is winding down as a successful professional photographer with a busy portrait studio - twice MPA Scottish Portrait Photographer of the Year – he and Anne, Rod's wife, have never lost their amateur roots, competing and exhibiting widely. Between them they have many thousands of acceptances and several hundred Awards in National and International exhibitions. "Nowadays we tend to pick and choose the exhibitions we enter – usually the more difficult ones!" "Although I am very involved in the organisation of events I have never lost my love of photography. I make a print every couple of days and I am proud to work with the support of PermaJet."

SONY®

"Sony is delighted to be working once again with the PAGB in 2018. Sony is committed to supporting photographers up and down the country at all levels through many activities including a comprehensive consumer engagement events programme. We are very excited to see the work submitted for this event and look forward to seeing the results of the competition."

Mark Baber, Technical Marketing Manager, Photo Channel Consumer Events.

ACKNOWLEDGEMENTS

The 2018 Inter-Federation Competitions Judging Day was hosted by the Kent County Photographic Association. Sony has again sponsored the Competition and their continued support of the PAGB is greatly valued.

The judging was held in front of a viewing public with more than 40 people attending. The hard work is not limited to the judging day. The organising by the Kent County Photographic Association started at the end of 2017 will continue through to the framing and hanging of the exhibition, only being able to relax once the prints have been sent to the next Federation.

On behalf of the PAGB I would like to thank Chris Shore FRPS MPAGB EFIAP BPE5 President of the KCPA who did the introductions and welcomed the PAGB team, Alan Lomakin for his excellent work as the Organising Secretary and his team; Jane Puncher for receiving and storing the prints, Alan Smith, Lorraine Grey, Doug Hughes, Tracy Hughes for their help in the hall and sorting room, and the ladies in the tea room; Penny Lewington, Val Allan, Janet Kent and Annie Skay

My thanks also to the PAGB President Gordon Jenkins HonPAGB who opened and closed the proceedings, welcoming everyone and introduced the three judges, Roger Hance FRPS AFIAP BPE5, Rod Wheelans MPAGB MFIAP HonPAGB and Clive Tanner FRPS MPAGB APAGB. Gordon also acknowledged the work undertaken by the PAGB team; Roy Lambeth APAGB DPAGB AFIAP BPE2, Adrian Lines ARPS MPAGB EFIAP FBPE, Mrs Jane Lines MPAGB BPE5, Mrs Lynn Lambeth CPAGB APAGB.

Thank you to the judges Roger, Rod and Clive for the care taken in assessing 865 prints and 818 PDI images, also our thanks go to Howard G. Tate MA(Phot) ARPS AFIAP APAGB who compiled the Exhibition Catalogue and the Slide Show for the Federations.

The PAGB team are grateful to the University of Greenwich staff for making us welcome and allowing us to use their facilities.

The 2018 Sony PAGB Inter-Federation Print Exhibition will open on 10th July at Creek Creative, 1 Abbey Street, Faversham, Kent, ME13 7BE. The Winning Federation Trophies will be presented at the Inter-club PDI Championships at Warwick. The Medals and Ribbons will be sent to the Federation Competition Officers to present to the winners.

Finally thank you to all the photographers who submitted their work on behalf of their Federations. Congratulations to the Winning Federations, the Individual Award Winners and those whose work was accepted for the Exhibition.

This year's Selection for the PAGB Inter Federation Exhibition took place in the splendid Edwardian redbrick and ivy-clad University of Greenwich Medway Campus based at Chatham Maritime in Kent. Situated next to the historic dockyard where HMS Victory was built and where Lord Nelson Boarded his first ship. Also close by is England's second oldest Cathedral in Rochester, which dates back to 604 AD. Successes from the University include Nobel prize winner, Sir Charles Kao, the inventor of fibre optic technology. The PAGB and the KCPA thank the staff of the faculty for their kindness and use of these facilities
