Live for the story_

Judged by
Christine Widdall MPAGB, Rod Wheelans MPAGB & Dave Gibbins DPAGB
On Sunday 6th of June 2021

This years competition was held online using Zoom with an audience of over two hundred spectators. This was the largest audience in the competitions history. The general quality of the images was exceptional as usual, being a good representation of the current level of amateur photography in the UK.

Jane Lines

Competition Secretary
