foreword

The Photographic Alliance of Great Britain (PAGB) organises national events and competitions for more than 1100 photographic clubs with over 40,000 members, all over the UK.

Our mission is to encourage and support all aspects of amateur photography, but we have a particular affection for Prints displayed on gallery walls. The Masters of Print exhibition, now in its Fifth year, was launched to show the world how good amateur photography can be and it is so good to be able, once again, to hang the exhibition and to invite you all to come and enjoy it.

The emphasis is on new work, created with skill and passion, and club members have responded enthusiastically, sending their very best photographs for consideration.

Only one print can be accepted from each entrant and many great photographs and many excellent photographers, have been unfortunate not to make the cut.

Just 60 prints by 60 different amateur photographers are displayed and I am certain that everyone will find one they won't forget.

welcome

Welcome to the Fifth Masters of Print exhibition. Once again despite this being the second Masters of Print Exhibition this year due to the delayed running of the 2020 exhibition, it once again has proved to be possibly the most prestigious amateur photographic exhibition of the year.

The dedicated team from the Photographic Alliance of Great Britain, under the chairmanship of Rod Wheelans, have managed to gather together another great set of pictures. These were presented to the three judges, and the final 60 selected are the very best of the pictures submitted. My thanks go to the other two judges who joined me for the selection.

One of the features of the Masters of Print is this superb catalogue, containing all of accepted pictures. My special thanks go to Libby Smith for its excellent layout and to Gordon Jenkins for co-ordinating the printing to such a high standard.

I must also thank On-line Paper who have sponsored this Fifth Masters and who have presented a handsome trophy for the most successful Club. We are grateful also to our other sponsors who generously support the PAGB, a list of whom can be found at the back of this catalogue.

Finally, may I thank all of the camera club members who have supported the exhibition again this year and I look forward to your entries to the Sixth Masters of Print in 2022.
