welcome

Welcome to the Seventh Masters of Print exhibition, showing the very best of ‘amateur’ photography in the UK today.

From a record entry once again this year, the dedicated team from the Photographic Alliance of Great Britain, under the chairmanship of Rod Wheelans, have compiled a great set of pictures for all to enjoy. My thanks to you all.

We are grateful to the judges who helped to select the best 60 pictures for the exhibition. (Unfortunately, two of the judges booked were forced to call off at short notice and two of the team were brave enough to step into the breach).

The superb Masters of Print Photo-Book containing all the accepted pictures, has been compiled by Libby Smith who organised the layout, together with the co-ordination of the printing arranged by Gordon Jenkins. Thank you both for all your hard work.

We are indebted to our sponsors, CEWE for awarding the Diamond Club Award and who this year are responsible for printing the superb Photo-Book. Online Paper are again presenting their Gold Club Award and have also given their generous support to the PAGB. Our other sponsors who have supported the PAGB are listed at the back of this book.

Finally, I thank all the camera club members who have submitted their work this year and I look forward to your entries and support in 2024. Long may this exhibition continue.

foreword

The Photographic Alliance of Great Britain (PAGB) organises national events and competitions for nearly 1000 photographic clubs all over the UK with a total membership approaching 40,000. The PAGB seeks to encourage and support all aspects of amateur club photography, but we have a particular affection for Prints displayed on gallery walls.

The Masters of Print exhibition, now in its Seventh year, was built from scratch to show just how good amateur photography can be and it is a joy to be able, once again, to hang the exhibition in St Martin in the Bull Ring, and to invite you all to come and enjoy it. If you cannot make it to Birmingham, the show will appear later in several UK venues.

The emphasis is on new, largely unseen work, created with skill and passion, and club members have responded enthusiastically, sending their very best photographs for consideration.

Only one print can be accepted from each entrant and there is an emphasis on variety of subject, genre and technique. Many great photographs and many excellent photographers have been unfortunate not to make the cut.

Just 60 prints by 60 different amateur photographers are displayed and I am certain that everyone will find one that they cannot forget!
