GENERAL CONDITIONS FOR PAGB COMPETITION EVENTS

The Rules, contact details, invitations, timetables and other information for each Event will be published by the Organisers.

Matters relating to interpretation of the Rules will be decided by the Chairman of the Organisers, subject only to the PAGB Breach of Rules Procedure. A copy of the Procedure is available from the PAGB website.

The Judges for an Event are not eligible to have any Images entered to that Event.

Images must be entirely the work of the Photographer. Composite images are permitted provided all component images meet this requirement. For the avoidance of doubt, use of images from any other source including, but not limited to, royalty free image banks and clipart are not permitted.

An Image must not display to the Judges any of the Photographer's name, the Club or the Federation.

The PAGB cannot be held liable for the loss, misuse or non-entry of any Images or other material used for an Event, no matter how this loss or damage may occur.

By entering, the Photographer consents to the retention by the PAGB of information identifying the Photographer as the creator of an Image. Where a Federation or Club is the Entrant on behalf of multiple Photographers, then the Entrant warrants that each Photographer has consented to the retention of identifying information as if the Photographer had entered in person.

An entered Image may be used by the PAGB in any form to announce results and awards, to create catalogues, to create media circulated to participating Clubs including a PAGB Recorded Lecture, or for other PAGB related publicity. The Photographer of each Image will normally be credited with any use.
