## APPENDIX ONE

### GENERAL CONDITIONS FOR PAGB EVENTS

The Rules, contact details, invitations, timetables and other information for each Event will be published by the Organisers.

Matters relating to interpretation of the Rules will be decided by the Chair of the Organisers, subject only to the PAGB Breach of Rules Procedure. A copy of the Procedure is available from the PAGB website.

The Judges for an Event are not eligible to have any Images entered to that Event.

By entering, the Photographer consents to the retention by the PAGB of information identifying the Photographer as the creator of an Image. Where a Federation or Club is the Entrant on behalf of multiple Photographers, then the Entrant warrants that each Photographer has consented to the retention of identifying information as if the Photographer had entered in person.

**Out of Area Photographers:** For the PAGB Events with Club Entrants (Print Championship, Projected Digital Images Championship, GB Trophies, GB Cups), a Club may not enter the work of more than one Photographer who resides more than thirty miles outside the boundaries of the Club's Federation.

Images must be entirely the work of the Photographer. In composite images, all component images must meet this requirement. For the avoidance of doubt, use of images from any other source including, but not limited to, royalty free image banks and clipart are not permitted.

An Image, including the front of a print mount, must not display any of the Photographer's name, the Club or the Federation.

**Image Submission via different Clubs:** For the PAGB Events with Club Entrants (Print Championship, Projected Digital Images Championship, GB Trophies, GB Cups), an Image, once entered via one Club to one of those Events, may not be entered to another of those Events via a different Club.

Where an Image is determined to be ineligible for the Event to which it is entered, then it may be possible to substitute an eligible Image before the Event takes place. Otherwise, the Chair of the Organisers has discretion to allocate a score of zero to the ineligible Image and, if the Image received an award, to withdraw that award. Where an order of merit is calculated using a defined number of scores, then any zero scores shall be counted first and before the top scores in descending order.

The PAGB cannot be held liable for the loss, misuse or non-entry of any Images or other material used for an Event, no matter how this loss or damage may occur.

The PAGB reserves the right not to exhibit an individual image, and delegates such decisions to the Chair of the Organisers of each Event.

An entered Image may be used by the PAGB in any form to announce results and awards, to create catalogues, to create media circulated to participating Clubs including a PAGB Recorded Lecture, or for other PAGB related publicity including **e-news**. The Photographer of each Image will normally be credited with any use.

All compilations in the form of Catalogues or complete Exhibitions remain the copyright of the PAGB. Copyright of the individual images remains with the respective Photographers.

## APPENDIX TWO

### NATURE ELIGIBILITY IN PAGB COMPETITIONS

Nature means Images where living organisms are the primary subject matter. The story telling value of an Image will normally be weighed more than the pictorial quality.

Nature includes:

- Images taken with subjects in controlled conditions such as zoos, game parks, botanic gardens, aquariums and enclosures where the subjects are dependent on man for food. Scientific bands, tags or collars are permissible.

Nature excludes:

- Images where the subjects are obviously domestic animals or plants.
- Images where an obviously artistic treatment has been applied.

Processing of the captured image, by cropping, exposure adjustment, colour correction, noise minimisation, dodging/burning, HDR, focus stacking and sharpening, is permitted, as is cloning of image defects and minor distractions including overlapping elements.

An Image appearing to meet these criteria will be accepted as Nature. The Judges will normally assume that any Image presented to them is eligible.

Access to some biological subjects may be restricted. Where that is relevant, then Photographers warrant that they have followed relevant codes of practices and hold any necessary licences.
